The City of Vancouver has received a rezoning application to rezone this 18.4 acre site to allow for a mixed-use development based on the Council approved *New St. Paul's Hospital and Health Campus Policy Statement*. The application includes:

- A new hospital and integrated health care campus;
- Commercial, office, hotel, institutional and limited residential uses that provide a variety of health-related support functions;
- Retail and commercial space;
- A range of building heights from approximately 20 m (66 ft.) to 60 m (197 ft.);
- A new road network through the site that would connect to existing adjacent streets; and
- Two child care facilities.
