

Note: City owned tree #'s 1669, 1668, 1667, 1666, 1665 and 1664 cannot be retained due to their existing condition and root zone setback requirements. Vancouver board of Parks will need to authorize their removal.

Note: Arborist on-site direction is required during the building excavation adjacent the retained trees, and the excavation cannot extend into the TPZ.
